COVID-19 CORONAVIRUS UPDATE

Dear Parents/Carers

This letter is to let you know about the latest guidance from the Department of Education and Public Health England.

At the moment all schools are open and children should carry on attending.

However, the guidance set out last night says that children must not come into school for 7 days if they show signs of any of the following symptoms:

- 1) Fever - a higher than normal temperature
- 2) Dry cough which does not go away

If you are keeping your child at home because of these symptoms you **MUST** let us know so we can record the 7 day absence correctly. Please do this by **ringing the school office and leaving a message on option 1.**

You can find up to date information on the www.gov.uk website.

We are continuing to follow all advice from Public Health England in school and will let you know if there are further developments.

Rhian Jones (Headteacher)
