**Friday 26<sup>th</sup> June**

Maths:

**Tally Charts**

A tally chart is a quick and easy way of recording data. It involves filling in a chart with vertical dashes representing each time a piece

of information is observed.

**Look out of your window and make a tally of how many green, blue and red cars you see in 30 minutes.**

Cars	Tally	Total
		
		
		

**Challenge activities**

Watch the clip to learn more about tally charts:

<https://www.youtube.com/watch?v=6L2ch1esFGA>

Write some questions to go with your tally chart.

Sentence starters:

How many

How many more

What is the total amount

Complete the data handling activities on My Maths

Access any other apps and websites you feel are appropriate for your child.
