Wednesday 13th

Maths:

Money

In your workbook, draw and name each of the coins.

Challenge activities

Watch this clip and try some of the bitesize activities:

<https://www.bbc.co.uk/bitesize/topics/zp8dmp3>

In your workbook, find 10 different ways to make 50p

Example:

20p + 20p + 10p

Hint - remember to use coins only (1p,2p,5p,10p,20p,50p)

(3p is not a coin)

Thursday 14th

Maths:

Money

In your workbook, draw and name each of the notes:

Challenge activities

In your workbook, find 10 different ways to make £10.00

Example: £5.00 + £2 + £2 + 50p + 50p

Friday 15th May

Maths:

Set up a shop using some items from your house. Label the items with amounts you might sell them for (all should be less than £1.00).

Use the correct coins to pay for the items.

Take photos of your shopping game to share with the Year 2 teachers.

Challenge activities

Calculate how much change you would get from £1.00 if you spent:

50p

45p

35p

30p

60p

Complete the money activity on My Maths.

Use any other apps and websites you feel are appropriate for your child.
