

Sparkenhoe CP School F1 Weekly Activities-

Topic this week...

Hello everyone! We are starting a new theme this week all about traditional tales! This week we will be concentrating on the story of the 3 Little Pigs! We will read lots of versions of the story, we will explore the properties of different materials and how we use them, and we will keep thinking about the number 3!

These are suggestions for you to do at home with your child, each activity should last around 15/20 minutes. Also please join in with the online activities when you can.

	Reading / Sight words/ Handwriting	Phonics	Maths	Let's Get Busy!
Monday	https://www.youtube.com/watch?v=WICE0OSdsMU Watch this video about how bricks are made. Have a look at your house, what is it made out of?	Have a go at playing this sounds game on PhonicsBloom! https://www.phonicsbloom.com/uk/game/match-sounds?phase=1	Cut out the 2d shapes (squares, triangles and rectangles) and make them into a house for a little pig!	If you have child scissors, snip up lots of paper and make a collage of the little pig's straw house. If you have real straw, then use that! Or you could rip your paper into strips instead.
Tuesday	Read the Twinkl ebook of the 3 little pigs! (Link sent by Miss Alhaddad)	Watch and join in with Mrs Storey's phonics video! Don't forget to use your robot arms!	Print off (or ask your grown-up to copy) the pictures from the 3 little pigs story. Stick them in your home learning book in the right order and retell the story!	Have a go at making some puppets to retell the story of the 3 Little Pigs! Perform your puppet show to an audience

Wednesday	Pretend to write a letter to someone! Draw a picture, or simply write your name, put it in an envelope and 'send' it to someone you live with!	Clap the syllables in your name. How many do you have? Can you clap the syllables of your favourite toys?	Hunt for shapes around your house! Can you find any circles? Squares? Rectangles or ovals? Draw your favourite in your Home Learning book.	Let's get scary! Make a head band like this and stick ears on! Run around your house being the Big Bad Wolf! Blow things down and growl at everyone! 
Thursday	Practice the handwriting patterns Miss Alhaddad showed you in the remote learning session today!	Hunt for things beginning with 'a' in your house and have a go at playing Silly Soup like Miss Alhaddad! (apple/ambulance/allegator/astronaut/arrow/avocado)	Ask your grown up to write and cut up lots of number 2s and number 3s. Can you sort them out into 2 piles?	Get crafty with...sticks! Collect as many as you can and try to build a structure that doesn't fall down...maybe you could let one of your toys sit inside!
Friday	Sorting sight words ('I' and 'the') Print and cut out, or ask your grown-up to copy down the 2 sight words we know. Muddle them up and then sort them out again and stick them into your Home Learning book!	https://www.youtube.com/watch?v=2s7cz6p7jew Listen and sing along to this Three Little Pigs song!	Have a go at playing this shape sorting game https://www.topmarks.co.uk/early-years/shape-monsters Can you remember what the names of the shapes are?	Build a house! Use ANY materials you like! It could be big, or small...try things like boxes, bricks, chairs, blankets, tables, duvets, pillows, tents, books, sticks...see how you get on! Could the Big Bad Wolf blow it down?!

Just to say a HUGE thank you, and well done to parents for doing such a fantastic job of supporting your children's learning at home! We love receiving your photos, videos and emails, and really appreciate all of your hard work!

Thank you

Mrs Storey, Miss Alhaddad, Mrs Sheikh, Mrs Khan, Mrs Vaghela
