Risk Rating. The Risk Rating process is provided for guidance only. It is the risk assessors' evaluation of the risks that is important, and this may differ from the result indicated by the risk rating matrix. Even after taking the risk rating into consideration employers still have a duty to ensure that sufficient and adequate control measures are in place to ensure that any remaining risks are kept as low as is reasonably practicable.			
Covid-19 is a newly discovered infectious disease which has caused a global pandemic. Main symptoms include but are not limited to: Fever, new continuous cough, loss of smell and taste. This risk assessment is very much a live document and has been adapted accordingly, aligning with advice given from central/local government (CG/LG) and Public Health England (PHE).			
General Principles of Control	The hierarchy of control measures to be implemented should follow the sequence – <ol style="list-style-type: none"> 1. Avoiding contact with those who have symptoms. 2. Frequent hand cleaning & good Respiratory hygiene practices. 3. Regular Cleaning of settings. 4. Minimising contact & mixing. Even where these principles cannot be adopted in full, even a partial adoption of them would be beneficial in reducing the risk. It should also be remembered that more than one of the principles can be adopted simultaneously.	The wearing of respiratory protection (face masks) in Schools is NOT expected to be a routine control measure where no specific risk has been identified. However, the School will support any individual who chooses to wear one. Appropriate respiratory protective equipment/face masks are to be considered where effective separation cannot be maintained if dealing with a suspect case; This would normally be to the standard of a Fluid Resistant Surgical Mask. However, if dealing with a child with complex medical needs where aerosol generating procedures are performed an FFP3 standard face mask should be worn, for which face fit testing (FFT) must be completed beforehand. Other appropriate PPE may also be required – refer to latest government guidance.	

What are the Hazards ? (What can go wrong)	Who might be Harmed & How ?	Existing Control Measures (What are you already doing to manage the hazards/risks?)	Risk Rating with controls in place			Additional Controls Required (Where the existing controls are insufficient to reduce the risk to an acceptable level) Use the scoring table below to assist in planning actions.
			Likelihood	Impact / Severity	Risk Rating Score	
<p>Catching or Spreading COVID 19</p> <p>Exposure from others due to:</p> <p>1) Living with someone with a confirmed case of COVID-19.</p> <p>2) Having come into close contact (within 2 metres for 15 minutes or more) with a confirmed case of COVID-19.</p> <p>3) Being advised by a public health agency that contact with a diagnosed case has occurred.</p> <p>It should be noted that not all individuals will show symptoms, there may be individuals who are carriers and will go under the radar.</p>	Staff, Pupils, Visitors	<p>All staff are aware of social distancing rules (See below for class/group arrangements)</p> <p>Staff arrive via staff entrances and use the hand sanitiser stations located next to the doors before entering the building. Staff will wash their hands with soap and water regularly throughout the day.</p> <p>Staff will promote good hand washing with pupils by using the e- bug and handwashing signs in all washroom areas which are appropriate for age group</p> <p>Tissues provided for staff and all children in all rooms along with bins for their disposal. Teachers will place tissues on pupil's desks.</p> <p>Staff will promote coughing or sneezing into the crook of their elbow if tissues not available. Staff will ensure hands are washed after putting used tissue in bin or coughing or sneezing into the crook of their arm.</p> <p>All staff will promote catch, kill it bin it. Signs are placed around the school.</p> <p>Staff aware not to touch their eyes, nose or mouth if their hands are not clean. Children will be reminded to try not to touch.</p> <p>Staff aware that any contact with personnel suspected of having Covid – 19 must be avoided.</p> <p>Headteacher/ Senco will review existing individual Risk Assessments for SEN children.</p>	3	3	9	<p>All staff informed at induction in groups by Head Teacher, SLT and Site Manager and via email by Headteacher.</p> <p>Monitored by Head Teacher / SLT, Premises officers, Site Manager</p> <p>Monitored by Head teacher , SLT and teaching staff</p> <p>Stock levels monitored by Site manager and replaced by premises staff when needed</p> <p>Monitored by Head teacher , SLT and teaching staff</p> <p>Implemented by Head Teacher by induction, tool box talks and signs.</p> <p>Monitored by head teacher / SENCO/SLT</p>

		<p>All staff and pupils will follow the good respiratory hygiene and skin cleaning hygiene measures at all times.</p> <p>Mobile Sanitiser stands are available in the morning in main playgrounds for each year group to sanitise hands before entering the building. Washbasins in all toilets will be monitored by staff to ensure all pupils wash their hands for 20 seconds after using the WC and paper towels are put in the bin provided.</p> <p>External wash stations have been installed for pupils and staff to wash hands after breaks, before lunch & after lunch.</p> <p>Pupils are monitored at wash stations to ensure correct handwashing procedure is adhered too.</p> <p>Clear signage and information is displayed around the school reminding all of social distancing, good hygiene and handwashing. Signs are child friendly to ensure they understand.</p> <p>Headteacher will inform all staff of this Risk Assessment via email and will be communicated to all staff before group inductions to give staff time to question anything on this risk assessment. The group sessions will be held adhering to social distancing.</p> <p>Records are kept of all staff, classes, groups, visitors and their close contacts should they be needed for the local public health team</p> <p>Any staff with concerns can contact Amica (poster in staff room with telephone Number) and speak to the Headteacher who can refer staff to occupational health services to provide support as necessary.</p>				<p>Monitored by Head teacher / SLT, All Staff</p> <p>Implemented by Head Teacher and stock levels monitored by Premises officers / site manager and orders by placed by site manager. Replenished by Premises Staff when needed. --	--	---	--	--	--	---

		<p>Head teacher monitors Government guidelines on Clinically Extremely Vulnerable & Clinically Vulnerable staff and pupils. (including Pregnancy)</p> <p>Frequent and thorough hand washing is carried out by all persons throughout the day (with soap for 20 seconds), including before & after eating, after sneezing & coughing or using tissues. Hands are then dried using disposable towels etc, which are disposed of into the bins provided.</p> <p>Lessons and games will be used to give younger children and SEN pupils additional support and encouragement with hand washing and using tissues.</p> <p>Only essential visitors allowed onsite and only if approved by head teacher. Log kept to ensure there is a record of how many people are on site. Visitors must adhere to 2 m social distancing. Visitors must wear face coverings when entering the premises. Visitors who are not booked in are to be turned away. Visitors will sanitise their hands upon entry and when leaving.</p> <p>All existing individual Risk Assessments(disability, pupils or new expectant mothers will be reviewed following CG/PHE guide lines</p> <p>Good respiratory hygiene and skin cleaning measures are promoted by posters, verbally and at tool box talks and by teachers encouraging and teaching pupils.</p> <p>Stock levels are kept up to date for replacements. Areas cleaned daily with an hourly regime for touched areas.</p>				<p>Head Teacher/SLT and site manager monitor government guidelines on any changes</p> <p>Head Teacher / SLT / all staff implement and monitor</p> <p>Head Teacher/SENCO/class based staff Implement</p> <p>Monitored by Head Teacher / SLT and office staff</p> <p>Monitored by Headteacher/SENCO/SLT</p> <p>Monitored by all Staff</p> <p>Monitored by Site Manager / premises officers, Stock levels are monitored and new stock ordered. Should it be hard to get hold of refills, bottles of soap are in stock if needed.</p>
--	--	--	--	--	--	---

		<p>Bins are placed all around all buildings.</p> <p>PPE is available at school, i.e, gloves, disposable aprons, masks and visors. Staff shown how to correctly wear them and how to dispose of safely.</p> <p>Clear signage and information displayed reminding all persons of social distancing, hygiene and hand washing requirements. This information will also be easily understandable to small children.</p> <p>All staff informed that they have to inform head teacher immediately if a person living with them is self-isolating, and they are to stay at home for 14 days as per government guidance. Staff informed that people who live with them should have a test if symptomatic. If test is negative staff member can return.</p> <p>Staff are informed to try and avoid working with paper/other materials that are to be shared. Equipment needs to be cleaned after use. Photocopying should be sent electronically whenever possible to reduce contact with buttons. If photocopying machine is used it must be wiped before and after and hands sanitised or washed after use.</p> <p>Visitors must sanitise hands before using the touch screen sign in system and hands must be washed or sanitised after. The screen must be wiped afterwards.</p> <p>SEN Coordinator will complete a Risk Assessment for safety measures for members of staff working one to one with pupils as part of each identified pupil's individual risk assessment.</p>				<p>Stock levels monitored by Site Manager. All staff informed at induction and signs showing the correct procedure for use of PPE displayed in Rooms and Adult wash areas</p> <p>Monitored for deterioration and replace and replaced by premises officers / Site Manager Monitored by Site Manager/Premises staff</p> <p>Implemented by Headteacher. Monitored by Headteacher/SLT.</p> <p>Monitored by all Staff and implemented</p> <p>Monitored by Head Teacher /SLT/Office staff/Site Manager Monitored by Headteacher/SLT/admin. Screen will be wiped by a member of admin team after admitting a visitor to the school.</p> <p>Monitored by Headteacher/SENCO/SLT</p>
--	--	---	--	--	--	---

		<p>Parents will be informed of the COVID 19 safety precautions of the School (Based upon Government Guidance and this risk assessment) by email and via the school website. Contractors will be emailed by the site manager. Other persons will be informed in advance where possible but on entry to the school building if not.</p> <p>The SLT will monitor and enforce the Covid 19 safety arrangements in this risk assessment.</p> <p>Head teacher will follow medical advice on any children who have been shielding to assess if they can still attend.</p> <p>Contingency plans are in place to provide remote learning for pupils should this become necessary.</p> <p>All employees have access to support services (occupational health/Amica) and have been provided with mental health information via email with this Risk Assessment</p> <p>Staff will inform Head teacher if they feel control measures in place are insufficient for their personal circumstances. An individual Risk Assessment will be completed for the member of staff</p> <p>Staff who are living with a person in a shielding category. Head teacher has notified staff members of the stringent Covid – 19 control measures in place. Staff must request an individual risk assessment if they feel the measures in place are insufficient for their individual circumstances.</p> <p>Managers/SLT will keep in regular contact with and monitor the wellbeing of staff not currently working onsite.</p>				<p>Implemented by Headteacher/SLT/Site Manager</p> <p>The SLT will be visible around the school at all times of the day especially start and end of day and break and lunch. SLT will monitor safety arrangements and enforce.</p> <p>Monitored by Headteacher and implemented according to most recent government guidelines.</p> <p>Implemented by Headteacher/SLT</p> <p>Informed by Inductions and email by Head Teacher Headteacher/SLT to support referral to appropriate services where relevant.</p> <p>Monitored by All staff onsite. Implemented by Head teacher/SLT</p> <p>Informed and implemented by Headteacher. Additional guidance published by local authority pertaining to local circumstances will be adhered to. External advice will be sought where appropriate.</p> <p>Implemented by Headteacher.</p>
--	--	---	--	--	--	--

		<p>Clinically Extremely Vulnerable & Clinically Vulnerable Staff (including Pregnancy) From 1st August it is envisaged these Staff are able to return to work, provided that they are able to return to a workplace where the Government safety guidance has been implemented in full, and an individual risk assessment has been carried out. The school will, however, need to ensure plans are re-assessed based on emerging government guidance and advice from the local Public Health Dept. Previous risk assessments may need to be defaulted to.</p> <p>Shielding Children Generally, children who were shielding can return to school, however, those under the care of a specialist medical professional should follow medical advice regarding any potential return. Again, the school will, however, need to ensure plans are re-assessed based on emerging government guidance and advice from the local Public Health Dept.</p> <p>Although persons from the Black, Asian & Minority Ethnic (BAME) community, or those who possess other recognised high risk factors, are not officially categorised within the Clinically Vulnerable Group, due to their greater statistical likelihood of contracting the virus, it is recommended that they be considered for control purposes to be within this group.</p> <p>An individual risk assessment will be carried out for any person who considers that the control measures in place are insufficient for their personal circumstances.</p>				<p>Headteacher/SLT to monitor Government guidelines related to shielding in local lockdown area. Seek external advice regarding individual circumstances as appropriate.</p> <p>Additional guidance published by local authority pertaining to local circumstances will be adhered to. External advice will be sought where appropriate.</p> <p>For extremely clinically vulnerable staff an individual risk assessment will be completed when shielding ends in Leicester. Where there are no further measures that can be implemented and no option for home working then external advice will be sort.</p> <p>For clinically vulnerable staff an individual risk assessment will be completed. Where there are no further measures that can be implemented and no option for home working then external advice will be sort.</p> <p>Headteacher/SLT to monitor Government guidelines related to shielding in local lockdown area. For children unable to return to school, remote learning will continue.</p> <p>Any staff who feel the measures in place are not sufficient must request an individual risk assessment. Where there are no further measures that can be implemented and no option for home working then external advice will be sort.</p> <p>Where there are no further measures that can be implemented and no option for home working then external advice will be sort.</p>
--	--	---	--	--	--	--

<p>Suspected case whilst working on site or Positive Viral Test Result</p>	<p>Staff, Pupils, Visitors</p>	<p>All staff informed of symptoms and procedures by induction and information displayed as per Government/PHE guidelines</p> <p>Staff onsite will inform Headteacher/SLT if they have developed symptoms and will immediately go home and self – isolate for 10 days. Their household should self-isolate for 14 days.</p> <p>Staff must inform Headteacher/SLT if a pupil onsite has suspected symptoms of Covid-19. The pupil must be taken to the Deputy Head’s office to isolate until parents arrive. Parents must be told to arrange a test.</p> <p>Staff must book and have a test. Staff will inform Head teacher of the result. If negative then staff member can return to work and household members can end their self-isolation.</p> <p>If a staff member tests positive they will inform the school immediately and will self – isolate for 10 days or (longer if the high temperature symptom continues)</p> <p>Upon identifying a positive test result, the Local Public Health Team will liaise with the School Management to determine if the rest of the class, bubble or group and any Staff members should be sent home and advised to self-isolate for 14 days (The other household members of that wider class or group do not need to self-isolate unless that person within that group or class subsequently develops COVID 19</p> <p>If the school receives notification of a positive COVID 19 viral test they should notify the local Public Health Team. (Parents are to be encouraged to report test results to the school).</p>	<p>3</p>	<p>3</p>	<p>9</p>	<p>Implemented by Head teacher/SLT and Site Manager. Guidelines monitored and if there are any changes, staff to be informed via email, verbally and information displayed</p> <p>Head Teacher / SLT authorise for staff member/pupil to come back to work Areas will be deep cleaned if nothing has been touched. If touched the area will be closed off for 72 hours and then deep cleaned. Rubbish will be double bagged in a bin liner and left for 72 hours and then will be disposed of in general waste as per Government/PHE Guidelines.</p> <p>Head Teacher monitors and implements</p> <p>Head Teacher / SLT monitors</p>
---	--------------------------------	--	----------	----------	----------	---

Upon identifying a positive test result, the Local Public Health Team will liaise with the School Management to determine if the rest of the class, bubble or group and any Staff members should be sent home and advised to self-isolate for 14 days (The other household members of that wider class or group do not need to self-isolate unless that person within that group or class subsequently develops COVID 19 symptoms).

As part of the NHS Test & Trace programme, if other cases are detected within the school, Public Health England's Local Health Protection Teams will conduct a rapid investigation and will advise the school on the most appropriate action to take.

If a person displays symptoms - A high temperature, a persistent cough, or a loss or change to the sense of taste or smell they should:

- Notify the Headteacher immediately.
- Avoid touching anything.
- Go home immediately (Children accompanied by their parent, etc).
- All other persons are to maintain a safe distance from affected individual.
- If they need to cough or sneeze this should be into a tissue which is then put into a bin, or if they do not have tissues, cough and sneeze into the crook of their elbow.
- Areas occupied and equipment used by the affected person are to be thoroughly cleaned and disinfected, with the waste materials stored securely, double bagged, for 72hrs before disposal.
- They must then follow the guidance on self-isolation and not return to school until their period of self-isolation has been completed.

Area will be deep cleaned if areas have not been touched. If touched the area will be closed off for 72 hours and then a deep clean as per . Rubbish will be double bagged in a bin liner and left for 72 hours and then will be disposed of in general waste Government/PHE guidelines

		<p>•A note of all persons who the affected person has been in contact with is to be made, and these are to be monitored for symptoms throughout the following two weeks.</p> <p>Where persons have been in contact with someone who has been taken unwell with Covid 19 symptoms they do not need to go home to self-isolate unless they develop symptoms themselves. They should wash their hands thoroughly after the contact. Hands should then be dried using disposable towels etc, which should be disposed of into the bins provided.</p> <p>If a pupil with COVID 19 symptoms needs to remain at School until collected they should be located in a room separated from all other persons with the window open if possible, but with the door closed (A local decision should be made regarding whether or not adult supervision is required in the room). A separate toilet facility should be used if necessary.</p> <p>Staff should keep 2m away from the pupil where possible. If a member of Staff needs to attend to the pupil by physical contact, PPE appropriate to the level of contact should be worn (Gloves, apron, face mask & eye protection as necessary). The toilet, room used, and any PPE used should be cleaned and disinfected after use.</p> <p>If two or more cases are confirmed within 14 days, or if there is an overall rise in sickness absence where COVID-19 is suspected, the school will work with the Local Health Protection Team who will advise if additional action is required.</p> <p>Tissues used will be double bagged in a bin liner and left for 72 hours and premises officer will put the bag in a store room and then dispose in general waste. Teacher will tell pupil if you needs to cough or sneeze into the crook of their elbow</p>				<p>Children in Kidszone will be taken to the Deputy Head's office and will be supervised at all times by an adult who will sit 2 m apart.</p>
--	--	--	--	--	--	---

Travel off site	Staff, Pupils	<p>Travel is only required for essential purposes.</p> <p>Head teacher will authorise if there needs to be travel for staff beyond travelling to school, e.g a home visit. Staff members must keep in line with the 2 meter social distance rule and mask to be worn.</p> <p>All staff must implement social distancing where possible. When on foot - 2m clearance from other persons, or if this is not possible, then 1m apart with additional precautions i.e. wearing face masks, staying side by side, minimising time spent together.</p> <p>All persons to limit their use of public transport (Where it is safe and practicable encourage the parents of children to get them to cycle or walk to school).</p> <p>School will ensure from the company that any buses are cleaned before and after use if buses are required.</p> <p>Travel by coach etc is to be minimised, with social distancing and/or groupings practiced throughout. Contact with the driver is to be avoided, and any SEN requirements taken into account when reducing risks and minimise contact.</p> <p>Staff aware to limit their use of public transport and car sharing.</p> <p>If car sharing is the only option available then passengers must wear a face covering (unless exempt) and windows should be open.</p> <p>All staff aware when coming onto site after any journey they are to wash their hands.</p> <p>If public transport is the only suitable method of transport, all current guidelines must be followed. Face covering should be worn, maintain social distancing, avoid physical contact.</p>	3	2	6	<p>Monitored by Head teacher / SLT and staff informed at induction</p> <p>If external trips take place staff must ensure Covid-19 safety requirements are assessed before confirming and this must be explicit in the additional risk assessment.</p> <p>Monitored by Head teacher / SLT and staff informed at induction</p>
------------------------	------------------	---	---	---	---	--

<p>Contamination during Access to & egress from site</p>	<p>Staff, Pupils, Visitors</p>	<p>All Staff will enter via the staff entrance (Yr 2 cloakroom) or main front door and sanitise their hands at sanitiser stands located inside the entrance doors or wash hands in staff toilet or medical room.</p> <p>Staff will wash their hands before leaving site via washroom / class sink and leave by the Y2 external door or front entrance. Exit doors will be propped open for staff arrival at set times and then closed where security and safety is not compromised. Staff must practice social distancing when waiting to enter and leave and when waiting to use hand washing facilities.</p> <p>All staff using the car park must ensure that social distancing is adhered to at all times when arriving and leaving.</p> <p>Breakfast Club</p> <p>Children will arrive via Saxby Street and up the steps to the extended services entrance. Staff member will open the door for child to enter and then will wash their hands on entry. Parent will leave their child once child has entered. Staff member will keep a 2m social distance at all times</p> <p>Staff members will take children via the hall and leave via the Year 2 staff entrance towards the playground to line up with their class for start of school day. Pupils will then sanitise their hands at their class entrance. Staff member will keep a 2m distance at all times</p> <p>After school Club</p> <p>All children will be collected from the playground where they will be with their classes. They will wash their hands for 20 seconds at the outside sinks before entering the hall and leaving.</p> <p>Gopsall children will be brought to the Saxby playground.</p>	<p>2</p>	<p>2</p>	<p>6</p>	<p>Implemented by Head teacher by email and induction and regular reminders</p> <p>Monitored by Headteacher/SLT/staff</p> <p>Monitored and overseen by designated staff/ head teacher / SLT/Site Manager</p> <p>Alternative wipes will be provided for use by pupils with allergies or sensitive skin.</p>
---	--------------------------------	---	----------	----------	----------	--

		<p>Parents will collect their child from the entrance to extended services via Saxby Street by going up the steps to the door to the entrance.</p> <p>Staff will ensure each child is sent to the parent keeping in line with the 2m social distance rule</p> <p>If a parent arrives at school with a child who should not be there the situation will be explained and they will be asked to leave the site.</p> <p>If a child who should not be at school arrives on their own a member of SLT will stay with them, either outside or in an unused room in school until their parent collects them.</p> <p>Parents must not gather outside the extended services entrance.</p> <p>Hourly cleaning is in place for touch points</p> <p>Visitors No non-essential visitors are allowed onto the school site</p> <p>Site rules will be displayed on the hatch and front door for all to read and only booked in visitors authorised by Head teacher will be allowed on site.</p> <p>Only visitors deemed necessary to the safe running of the school are to be allowed on site. All visitors will enter the school wearing a mask and sanitise their hands at the sanitization station located next to the door and sanitise when leaving.</p> <p>Log is kept of who the visitor has had contact with and locations.</p>				<p>Monitored and overseen by Head Teacher / SLT/designated staff/Site Manager</p> <p>Parents informed by email and verbally. Implemented by Headteacher/SLT.</p> <p>Monitored by Headteacher/SLT/</p>
--	--	--	--	--	--	---

		<p>Staff Staff who are showing any of the signs of Covid-19 are not allowed in school.</p> <p>Staff MUST inform the head teacher if a member of their family are displaying signs of Covid-19 and they are not to come into school.</p> <p>All staff have been informed via induction about the need for self – isolation as advised by the Government Guidelines.</p>				Implemented by all staff.
Contamination within internal areas	Staff, Pupils, Visitors	<p>It is understood that Early Years & Primary age and some SEN children may find it difficult to understand and maintain a 2m social distancing separation, therefore where this proves to be impracticable, the hierarchy of control measures identified at the top of this risk assessment should be used to implement as high a standard of control as practicable. be washed or cleaned daily or put away for 72 hours.</p> <p>After School club</p> <p>All groups will be kept 2m apart from the other groups. A maximum no of 10 per group.</p> <p>The groups are as follows and are located in the hall and extended services room.</p> <ul style="list-style-type: none"> • YRS 5 and 6 • YRS 3 and 4 • F2, YR 1 and Yr 2 <p>High level windows will be kept open</p> <p>Staff will keep a 2m distance where possible and will use a visor if close contact is needed.</p>	3	3	9	<p>Implemented and monitored by Head Teacher / SLT and Teaching Staff</p> <p>Staff at times may choose to wear a visor when working with children.</p>

		<p>Equipment will not be shared between groups and equipment used will be cleaned regularly.</p> <p>Equipment, toys and other resources will be used for one day then put away for 72 hours before being used again.</p> <p>Any resources used every day will be cleaned thoroughly.</p> <p>Groups will not share any resources with other groups during a session,</p> <p>Children will put their coats and bags on the benches in the hall in the zone their group is assigned to.</p> <p>Staff ratios for each group to be no more than one.</p> <p>Breakfast club Hall</p> <p>Staff member will wear gloves and mask when preparing the toast and will hand out to each child. Staff member will remove all plates and wash and sanitise tables after use. Any equipment used will be cleaned after each use.</p> <p>Children will be sat in their group 2 m apart from other groups</p> <p>Children will wash hands before eating and after and will be monitored by staff member to ensure the 20 second rule is applied and hands are dried with paper hand towel and towels put in bin.</p> <p>Only use cleaning products supplied by the school. Staff all aware not to bring any cleaning products onto site.</p>				<p>Where staff wish to wear a face mask when working with children this must take into consideration the individual needs of the children.</p> <p>If face masks are worn then stringent hygiene measures must be carried out when putting on, taking off and disposing of them.</p> <p>Implemented and monitored by Head Teacher / SLT and Kidszone Staff</p> <p>Implemented and monitored by Head Teacher / SLT and Kidszone Staff</p> <p>Monitored by Site Manager/Headteacher/SLT Touch areas are cleaned hourly and WC by cleaner. Restocked ie soap, paper hand towels and deep cleaned daily at the end of school day. Carpet is sprayed with a sanitiser on Fridays ready for the next week. Rubbish removed</p> <p>Staff may have their own personal sanitiser and hand cream. This must be kept out of reach of children and must be for personal use only. These must not be shared with other staff. Staff must check that these products are safe for personal use in school.</p>
--	--	---	--	--	--	---

		<p>Staff to staff interaction</p> <p>Staff must stay 2 m apart from other staff as much as is possible.</p> <p>Equipment, Activities and resources</p> <p>Staff & Children have their own allocated individual frequently used resources such as pens & pencils</p> <p>Ipads (Non-alcohol wipes) and phones are cleaned after each use.</p> <p>Staff to ensure high level windows are open in hall, Kitchen and extended services room</p> <p>Hand dryers are not in use</p> <p>Waste bins are provided in each room to collect used tissues. These are emptied regularly and double bagging used.</p>				<p>Monitored by Head teacher/SLT and Site manager Stock levels monitored by Site Manager and orders placed when running low. Premises officer and cleaners will re stock class rooms when required.</p> <p>Monitored by Head Teacher / SLT and Site Manager / Premises officers. Check all rooms have sufficient air flow.</p>
<p>Contamination in Outdoor Areas</p>	<p>Staff, Pupils</p>	<p>It is understood that Early Years & Primary age and some SEN children may find it difficult to understand and maintain social distancing separation, therefore where this proves to be impracticable, the hierarchy of control measures identified at the top of this risk assessment should be used to implement as high a standard of control as practicable.</p> <p>Each group will be more than 2 m away from any other group when outside.</p> <p>Groups will be allocated an area of the playground for free play.</p> <p>Each group will have their own set of equipment for outside use for each session.</p>	<p>2</p>	<p>3</p>	<p>6</p>	<p>Implemented and monitored by Head Teacher / SLT /all staff</p>

		<p>Any play equipment used needs to be sanitised after use. A box of cleaning spray, pump spray and gloves and cloths available.</p> <p>Play equipment used by a group will be sanitised after each use or put away for 72 hours.</p> <p>Games and activities for all the children together have been planned to be led by staff which are all games that can be played with social distancing in mind. The 3 groups will be apart from each other.</p> <p>Staff to ensure the activities make sure inadvertent close contact between staff and child is minimised.</p> <p>Staff and children to wash hands before going outside and upon entering the building.</p> <p>External washroom basins in place to wash hands before entering the building</p>				Implemented and monitored by Headteacher/SLT
Allocation of Staff	Staff	<p>Access to school is authorised by Head Teacher</p> <p>All staff medical needs are discussed with the head teacher before entering the school</p> <p>All staff will confirm if they wish to go into school and this is confirmed by the head teacher.</p> <p>Head teacher ensures that qualified first aiders are onsite.</p> <p>First aiders cannot keep in line with social distancing during the delivery of first aid, but physical contact should be kept to a minimum.</p> <p>Those administering first aid will wear PPE appropriate to the circumstances i.e gloves, surgical mask and disposable apron and will wash hands and ensure the affected area is cleaned upon completion.</p>	3	3	9	<p>Head Teacher/SLT implements and monitors daily</p> <p>Head Teacher implements and monitors Government / PHE guidance.</p> <p>Only Kidszone staff can enter the Kidszone kitchen.</p> <p>Kidszone staff using the kitchen area must wash hands before using any appliances and utensils.</p> <p>All surfaces must be cleaned after use.</p> <p>First aid guidance as per HSE Guidelines/ PHE</p> <p>Stock levels monitored by Site Manager and orders placed when stock levels are low. Masks, visors, aprons and gloves available for staff to use.</p>

		<p>No staff, other than the allocated staff must go into the main office. All enquiries for office staff must be directed from the hatch.</p> <p>Cleaning staff rotas have been changed to make sure there is hourly cleaning of touch points and washrooms/toilets.</p> <p>Staff will enforce, as far as is reasonably practical, social distancing between parents and groups of children when collecting their children.</p>				<p>Staff will have access to a pack of gloves and masks when outside in order to deal with any accidents or injuries in the playground.</p> <p>Implemented and monitored by head teacher</p> <p>Head teacher/SLT/Site Manager monitor</p>
Work planning	Staff, Pupils,	<p>If art activities take place, individual children will be allocated their own paintbrush, scissors and paint pot.</p> <p>Any items that are shared must be cleaned & disinfected after each use or put away for 72 hours.</p> <p>Toys, games and difficult to clean items will be put away for 72 hours after use.</p> <p>IPads and any computer keyboards, mice and screens will be cleaned before and after use,</p>	3	3	9	<p>Head Teacher implements and monitors Government / PHE guidance.</p> <p>Head teacher/SLT monitor</p>
Cleaning	Staff, Pupils, Visitors	<p>All areas for after school care will be cleaned before the club starts and stock will be replenished if required</p> <p>Cleaners will dispose of PPE by double bagging, storing for 72 hours then disposing of in the regular rubbish.</p> <p>If cleaning a heavily contaminated area then eye and respiratory protection will be worn.</p> <p>Cleaners will use Jey cloths in each area they clean and throw the cloths away into a bin liner.</p>	2	3	6	<p>Site Manager / Premises officers monitor stock levels to ensure there is a constant supply for replenishing.</p> <p>Site Manager to ensure a sufficient supply of eye and respiratory protection for the use by cleaning staff.</p>

		<p>All surfaces are cleaned prior to using the virimicdal spray</p> <p>The cleaners will give extra attention to touched areas that are used more frequently: Doors, toilets, Doors handles, phones, light switches, door fobs, exit buttons, bannister rails and fire call points and emergency exit buttons.</p> <p>Cleaners will wash and dry hands after removing PPE.</p> <p>Only cleaning products supplied by the school are to be used.</p> <p>Bin liners will be used in all bins and bins will be emptied at least daily but more often if needed.</p> <p>.</p>				<p>Site Manager / Premises officers monitor stock levels to ensure there is a constant supply for replenishing.</p>
<p>Deliveries & Waste collection.</p>	<p>Staff, Pupils, Delivery drivers, Waste collection operative s</p>	<p>Site Manager is notified by phone when a delivery is expected. Goods are dropped off in the car park and left. Contractors and premises officer/Site manager keep a safe distance with the 2 meter rule.</p> <p>Premises staff will wear gloves and sanitise the items before bringing them into the building and will wash hands thoroughly and then will either distribute items or put into store room.</p> <p>PHS will contact school for access and will wash hands upon entry and leaving to collect the sanitary bins and bodily fluid bin. Scoring Table

LEVEL OF RISK		OVERALL RATING		HOW THE RISK SHOULD BE TACKLED/MANAGED		
HIGH RISK		15-25		Immediate Management Action		
MEDIUM RISK		9-12		Plan for Change		
LOW RISK		1-8		Continue to Manage		
Likelihood (A)	5 Almost Certain	5	10	15	20	25
	4 Probable /Likely	4	8	12	16	20
	3 Possible	3	6	9	12	15
	2 Unlikely	2	4	6	8	10
	1 Very Unlikely / Rare	1	2	3	4	5
		1 Insignificant / Negligible	2 Minor	3 Moderate	4 Major	5 Critical / Catastrophic

Impact (B)

Risk Score

To calculate the Risk Score in the Risk Assessment Register above, simply multiply the Impact by the Likelihood to identify the level of risk as per the table above.

Risk Scoring Guide

Consider the potential harm or injury that could result from the identified hazard if an accident or incident were to occur, based on the table below.

Impact Criteria (B)	IMPACT	SCORE	HEALTH & SAFETY EFFECT
	Critical/ Catastrophic	5	Multiple deaths of employees, service users, members of the public, etc.
	Major	4	Death of an employee, service user, member of the public, etc.
	Moderate	3	Serious injury (acute, chronic of life-changing) to employee, service user or member of the public requiring medical intervention.
	Minor	2	Minor injury such as a bump or bruise that may require First Aid treatment and the person returns to work.
	Insignificant / Negligible	1	A day to day issue/problem but negligible harm would result.

Now consider the likelihood of that harm or injury being realised based on the expected frequencies in the table below.

Likelihood Criteria (A)	LIKELIHOOD	SCORE	EXPECTED FREQUENCY
	Almost Certain	5	Reasonable to expect that the event WILL undoubtedly happen/recur, possibly frequently and is probable in the current year
	Probable / Likely	4	Event is MORE THAN LIKELY to occur, will probably happen/recur, but is not a persisting issue. Will possibly happen in the current year and be likely in the longer term
	Possible	3	LITTLE LIKELIHOOD of event occurring. Not likely in the current year, but reasonably likely in the medium/long term.
	Unlikely	2	Event NOT EXPECTED . Do not expect it to happen/recur. Extremely unlikely to happen in the current year, but possible in the longer term.
	Very Unlikely /Rare	1	EXCEPTIONAL event. This will probably never happen/recur. A barely feasible event.
